

St. Benedict School Newsletter

February 8, 2019

Dear St. Benedict Families,

I am grateful that we made it through a full week of school without inclement weather!

It is time to begin planning for the 2019-2020 school year. An important packet of registration and tuition information is being sent home in today's brown envelope. Please read through the entire packet carefully and do not hesitate to contact me with any questions that might arise.

Also in today's brown envelope you will find an Auction invitation. Please give the invitation to a friend or family member who has never attended the Auction in the past. The Auction is quickly approaching—keep selling those raffle tickets! The Auction committee will meet at 6:30 PM in the school library on Wednesday, February 13.

Our 7th grade students are putting the final touches on their science projects in anticipation of the annual Science Fair, which will be held on Wednesday, February 20.

Have a blessed week.

In His Name,

Sue Sanders, Principal
